

**WARRINGAL HAS A NEW HOME!!!!**

Dear Members,

We have received confirmation that Macleod College Oval will be our new training ground.

The new ground is quite large and in really good condition.

The address is Somers Road, Macleod. There is ample parking along Somers and Melrose Avenue. Toilets are available at the grounds.

The grounds are located close to the Macleod train station.

As it will take a little while to get things sorted out, training will resume **Sunday 8<sup>th</sup> July**.

If anyone cannot continue training at the new ground due to location, please reply to this email and we will contact you to organize a partial reimbursement of your fees.

As always, please ensure that you carry bags to pick up after your dog.

We look forward to seeing you all at training soon.

Regards

Warringal Obedience Dog Club Committee
