

EXCITING NEWS!!!!

TRAINING TO RESUME SUNDAY 15TH NOVEMBER

Finally classes are starting again, just in time for renewals.

The committee has made the decision that as this year has been so restrictive, we could not expect anyone to pay the full renewal amount. So, the renewal fee for this year is \$8.00 for a single or junior membership and \$16.00 for a dual or family membership. This is the insurance component of your membership which we must cover.

When attending class you **MUST** wear your current membership badge and abide by the current Covid Guidelines which I have listed below.

1. Stay home if you are unwell.
2. Wear your mask at all times (except if you have a legitimate exemption).
3. Practice social distancing, ensure you keep at least 1.5 metres between you at all times.
4. Carry your own hand sanitiser. There will be sanitiser at the container for all instructors and committee and if anyone has forgotten theirs.
5. Sanitise your hands before and after touching anything, stationary, agility equipment.
6. Practice cough etiquette - cough or sneeze into your elbow.
7. Avoid gathering in large groups to chat but if you do get together to socialise your dogs before or after class ensure you maintain your social distance at all times.
