## **DOGS VICTORIA NOTICE re COVID-19**

We have been advised from our governing body that from 16<sup>th</sup> March to 30<sup>th</sup> April all Dogs Victoria events will be cancelled or postponed.

The situation will be reviewed on 15<sup>th</sup> April and we will be advised of any further actions.

**This includes our club training activities, therefore training will be cancelled as of now.**

We will keep in touch with you. In the meantime, keep practicing the exercises you do in class.

We will miss seeing you and your furry friends but we must abide by this decision and hope that you understand.

Take care and stay safe.
